

Fairview is a community where children and families become believers in Christ so that we show God our love, grow in God's love, and give God's love away.

Script Summary

A group of kids arrive on Treasure Island and can't wait to discover the treasure. With the guidance of Captain Fisher and a map, they start out on an adventure seeking something more valuable than gold. A former pirate turned fisher of men, the Captain teaches the kids that they should always pursue godly wisdom and eternal riches. We pray all of our camp kids will discover the everlasting value of storing up treasures in heaven and continually seeking God.
